Trends and Forecasts

- [Attacks on public activists as a factor of destabilization of the domestic political situation in Ukraine](#)
November 4, 2018, Kherson activist, Advisor to the Mayor of Kherson, Kateryna Handzyuk, died in one of Kyiv hospitals. July 31, in Kherson, acid was thrown over her, resulting in chemical burns of 40 % of K. Handzyuk's body. These events are a continuation of a steady trend. According to human rights organizations, since the beginning of 2017, there have been at least 55 attacks on representatives of the “third sector”, more than 40 of them within the last 12 months...
- [Deterioration of the Ukrainian-Hungarian relations as a factor of interfering with Ukraine's European and Euro-Atlantic integration](#)
Budapest is resisting Kyiv's attempts to resolve the problem with the Hungarian community in Trans-Carpathian region, in particular, the issue of teaching Ukrainian in Hungarian schools. In turn, Kyiv is concerned about the practice of Hungarian passports being given to Hungarians — citizens of Ukraine and the creation of the post of an authorized representative of the Ministry of Foreign Affairs of Hungary for Trans-Carpathian region. As a member of the EU and NATO, Budapest tries to use its veto power for threats in order to make Kyiv go to concessions...
