## **TRENDS AND FORECASTS**

- [Elections 2019](#)  
...The country has entered the electoral campaign with obvious peculiarities and trends. Most likely, these elections will have the largest number of candidates, there will be the greatest technological challenges and the most volatile external factors in their conduct.  
Since there are so many candidates, it is worth dividing them into major groups and tracking their main consistent patterns and trends. That is, to classify certain “roles” on the successful playing which depends the victory...
- [Intermediate Results of the Introduction of Martial Law](#)  
...Martial law for 30 days in the territory of 10 regions of Ukraine was introduced in response to Russia's capture of the Ukrainian “Berdyansk” and “Nikopol” small artillery boats and the “Yany Kapu” tugboat (captured by a Russian Special Forces on the 25th November, 2018). The time that has passed, allows to assess the realities of martial law and its positive and negative consequences...
- [Tomos or Will the Step from the Sobor to Unity Be Taken](#)  
...What's happening is much more powerful than a PR of a private individual, election or intrigue for positions within the church. The completion of the formalities on January 6, 2019, with the final getting the Tomos, should open a new page of Ukrainian existence and set a certain trend for years to come. Building the church will have a profound impact on the society as a whole, and not just on the religious community...
